I enclose herewith copy of letter No.3017 dated the 19th Instant received from the Superintendent, Government Printing, asking me to intimate whether the sale price of the Municipal Account Manual Part II Accounts, may be fixed at R.3-6-0 per copy.

The book contains 360 pages excluding title, contents and preface. The value of R.3-6-0 proposed to be fixed by the Superintendent seems to be rather high. The purchasers will be very few as it is not prescribed for any of the examinations and the first supply to all Municipalities is free. The only persons that can be expected to purchase them are those who are specially interested in the administration of Municipalities. Municipalities which may require additional copies, may also purchase them. The value fixed for the Government of India Civil Account Code Vol.1 containing about 216 pages is only R.1-4-0.I would therefore suggest that the price may be fixed at Re 1-8-0. Early orders of Government may kindly be obtained and communicated to me so that the title page may be printed and the copies bound and supplied without delay.
